Dear Compañera:

We are writing to express our support to all workers of the Public Service Alliance of Canada and your recent and ongoing strikes. As representatives of the National Federation of Public Workers (FENTRASEP), we believe it is important to stand in solidarity with workers around the world who are fighting for their rights and dignity.

We understand that your members are facing significant challenges in their struggle for fair wages and working conditions, and we want you to know that we stand with you in this fight.

If there is anything we can do to help, please don't hesitate to let us know. We would like to thank and congratulate you for all that you do on behalf of more than 100,000 Canadian public service workers, and we wish you all the best in your efforts.
